

Curriculum vita

Personal information

Family name: Tabatabaei

Name: Seyed Mehdi

Gender: male

Nationality: Iranian

Marital status: married

Address: The School of Public Health, Zahedan University of Medical Sciences, Dr. Hesabi Square
Zahedan, I.R. of Iran

Phone: +98 (054) 33418801

Fax: +98 (054) 33418800

Email: zu.healthdeputy@gmail.com

A) Academic Background :

PhD (Epidemiology)

University of Western Australia, the School of Population Health (2005_ 2009)

MD

Zahedan University of Medical Sciences, Zahedan, I.R. of Iran, (1990-1997)

B) Employment & Professional Experiences:

- **July 2012-current**

Academic member of Health Promotion Research Centre, Zahedan University of Medical Sciences

- **April 2012-current**

Academic member of School of Public Health, Zahedan University of Medical Sciences

- **May 2012-current**

Academic member of Pregnancy Health Research Centre, Zahedan University of Medical Sciences

- **May 2012-current**

Member of Ethics Committee Council, Zahedan University of Medical Sciences

- **June 2011-current**

Academic member of the Infectious and Tropical Diseases Research Centre, Zahedan University of Medical Sciences

- **February 2011-current**

Member of Research Council, Zahedan University of Medical Sciences

- **November 2009-Current**

Health Deputy & Head of Provincial Health Centre, Zahedan University of Medical Sciences

- **September 2010**

Member of scientific board for students' scientific Olympiad (Health care Management), Zahedan University of Medical Science

- **November 2009-Current**

Secretary of Provincial Health and Food Security Council, Zahedan, I.R. of Iran

- **November 2009-Current**
Member of Research Council, Zahedan University of Medical Sciences, Zahedan, I.R. of Iran
- **September 2009- current**
Lecturer, the School of Public Health, Zahedan University of Medical Sciences, Zahedan, I.R. of Iran
- **February 2007- November 2008**
Associate Lecturer, the School of Population Health, University of Western Australia
- **January-August 2008**
The School of Population Health students' representative at the School of Population Health Executive Committee (SEC), University of Western Australia
- **January- August 2008**
The School of Population Health Postgraduate Society president, University of Western Australia
- **November 2002 – 2004**
Elected supervisor for Zahedan General Practitioners Assembly
- **July 2001- 2004**
Head of Zahedan Health Centre, Capital of Sistan & Balouchestan Province, I.R. of Iran
- **July 2001 - 2004**
Secretary of Zahedan City Health & Social Welfare Council
- **September 1998 - July 2001**
Head of Zabol Health Centre & Health Deputy, Zabol Faculty of Medical Sciences, Zabol, Iran
- **Sep 1998 - July 2001**
Secretary of Zabol City Health Council
- **March 1998 - September 1998**
Head of Zabol Tuberculosis Coordination Centre, Zabol, I.R. of Iran
- **September 1997- March 1998**
General Practitioner in Rural health centre, Zabol, I.R. of Iran
- **September 1996- March 1997**
Head of Students Research Centre

C) Research:

Current

- **Tabatabaei Seyed Mehdi**, Behmanesh Pour Fatemeh, Navidian Ali, SalimiKhorashad Alireza, Zaboli Maryam Share Mollashahi Sedighe, *"Survey of patterns of substance abuse among pregnant women admitted to Zahedan Ali-ibn-AbiTaleb Tertiary-care Hospital Southeast Iran, 2016"*
- **Maryam Ghorbani, Tabatabaei Seyed Mehdi**, Alireza Ansarimoghaddam, Mehdi Mohammadi, *"Verifying the quality and consistency of immunization data in Zahedan city, southeast of Iran, 2016"*

- **Fariba Ramezani, Tabatabaei Seyed Mehdi,** Alireza Ansarimoghaddam, Mehdi Mohammadi, "Survey of the factors associated with birth at home in women living in Zahedan city in 2015- 2016"
- **Tabatabaei Seyed Mehdi,** Sargazi Moakhar Zahra, Share Mollashahi Sedighe, , Zaboli Maryam, "Association between pregnancy induced hypertension and paan (betel quid) consumption in Sistan and Balouchestan province , Iran, 2016"
- Roostaei Fatemeh,**Tabatabaei Seyed Mehdi,** Zaboli Maryam et. al. , "The role of enrolment on the University of Third Age (U3A) training courses on the quality of life of elderly in Zahedan University of Medical Sciences, Zahedan, Southeast of I.R. of Iran, 2016".
- **Tabatabaei Seyed Mehdi,** Share Mollashahi Sedighe, Sargazi Moakhar Zahra, Zaboli Maryam , "Epidemiologic investigation of Maternal Mortality in Zahedan University of Medical Sciences, 2005-2015"

D) Seminar & Congress Presentations

- 1- **Seyed Mehdi Tabatabaei,** Fateme Behmanesh Pour, Jamshid Ordoni Avval, Saeede Osmani, Sedighe Mokhtari, Maryam Aghebat Bekheyr
"Occupational exposure to blood and other body fluids among health care workers in three teaching hospitals, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)
- 2- **Seyed Mehdi Tabatabaei ,** Saeede Osmani , Fateme Behmanesh Pour
" Epidemiology of hospital-acquired infections in a tertiary care teaching hospital in Zahedan, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)
- 3- Jamshid Ordoni Avval , **Seyed Mehdi Tabatabaei ,** Maryam Aghebat Bekheyr Fateme Behmanesh Pour
" Levels of anti-HBsAg antibodies among health care workers in a trauma hospital, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)
- 4- Hannane Azade, **Seyed Mehdi Tabatabaei ,** Fateme Behmanesh Pour
" Infection Control Program Management in Labor Units in Public Hospitals in Zahedan, southeast Iran"
 - Congress on Hospital Acquired Infections
 - 25-27 February 2015, Zahedan, Iran (oral presentation)
- 5- **Seyed Mehdi Tabatabaei,** Sara Salar, Maryam Zaboli, Mohamad Salari, Paridokht Sharaki, Simin Nura, Hamid Moradgholi, Zaynab Poorzahabi
"Prevalence of high blood pressure and associated risk factors among high school students of Zahedan, Southeast Iran, 2013"
 - 2nd National Congress on Children and adolescents health
 - 1-3 January 2015, Zahedan, Iran (oral presentation)

- 6- Zahra Metanat, Yousef Shafeghati, **Seyed Mehdi Tabatabaei**
" Case report: Unilateral kidney agenesis in a child with Fraser syndrome "
 ○ 2nd National Congress on Children and adolescents health
 ○ 1-3 January 2015, Zahedan, Iran (oral presentation)
- 7- **Tabatabaei Seyed Mehdi**, Hassanzehi A,
" Crimean Congo hemorrhagic fever case fatality and associated factors in southeast of Iran, 1999-2012"
 ○ 16th Internal Congress on Infectious Diseases
 ○ 2-5 April 2014, Cape Town, South Africa (poster presentation)
- 8- **Tabatabaei Seyed Mehdi**, Salimi Khorashad A, Abili M. I, Narouei M.
"Patterns of antimicrobial resistance in vibrio cholera strains isolated from patients with acute watery diarrhea during a cholera outbreak in southeast of Iran in summer 2013"
 ○ 16th Internal Congress on Infectious Diseases
 ○ 2-5 April 2014, Cape Town, South Africa (poster presentation)
- 9- Mostafavi Ehsan, Esmaeili Saber, Esfandiari Behzad, Pourhossein Behzad, Bagheri Amiri Fahimeh, **Tabatabaei Seyed Mehdi**
"Seroprevalence of Brucellosis among butchers and slaughterhouse workers in south-eastern Iran"
 ○ 5th National Congress of Brucellosis
 ○ 29-31 October 2013, Tehran, Iran (poster presentation)
- 10- Kazemi Kiyomars, Karimian Hassan, **Tabatabaei Seyed Mehdi**, Bazrafshan Edris, Noori Mohammad Amir
" Bacterial contamination of water in dental units in the city of Chabahar 90"
 ○ 16th National Environmental Health Conference
 ○ 1st-3rd October 2013, Tabriz, Iran (oral presentation)
- 11- **Tabatabaei S.M**, Khajealijahantight M, Zaboli M, Yadolahi S, Moudi A, Sargazi F, Soliemani F
"The effectiveness of a training package for parents of injured children under 8 years discharged from hospital in Zahedan on home safety awareness and improvement"
 ○ The first International Congress on Clinical Governance and Patient Safety
 ○ 27-28 January 2013, Tehran, Iran (oral presentation)
- 12- Roya Alavi-Naini , **Tabatabaei Seyed Mehdi**, Malihe Metanat, Malek Kiani, Jalil Nejati, Mohammad Sakeni,
"Malaria in Children (Balouchestan, South-eastern Iran)"
 ○ International Congress on Malaria Elimination
 ○ 25th- 27th January 2012, Kish Island, Iran (poster presentation)
- 13- Malihe Metanat , Batool Sharifi-Mood, **Seyed Mehdi Tabatabaei**, Roya Alavi-Naini, Mohammad Sakeni, Nahid Sepehri-Rad
"Mixed Malaria Infections in Sistan& Balouchestan from 2006 to 2010"
 ○ International Congress on Malaria Elimination
 ○ 25th- 27th January 2012, Kish Island, Iran (poster presentation)
- 14- Abdolghaffar Hassanzehi, **Seyed Mehdi Tabatabaei**, Malek Kiani
"Epidemiology of Brucellosis in Zahedan University of medical Sciences from 2009 to 2011"
 ○ 4th National Iranian Congress of Brucellosis
 ○ 13th- 15th December 2011, Tehran, Iran (poster presentation)
- 15- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew
"Meat-derived mutagenic activity and the risk of colorectal cancer"

- The 9th Congress of International Epidemiological Association
- 6-11 August 2011, Edinburgh, Scotland (poster presentation)
(*J Epidemiol Community Health* 2011;65:A304 doi:10.1136/jech.2011.142976k.31)

- 16- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew
“Dietary intake of heterocyclic amines (HCAs) and the risk of colorectal cancer”
- The First International Congress on Nutrition and Cancer
 - May 2008, Antalya, Turkey (oral presentation)

- 17- Chad Green, Heyworth Jane, **Tabatabaei Seyed Mehdi**
“Low levels of tea consumption not associated with colorectal cancer”
- The First International Congress on Nutrition and Cancer
 - May 2008, Antalya, Turkey (oral presentation)

- 18- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew
“Meat consumption, cooking practices and the risk of colorectal cancer”
- The Australasian Epidemiological Association Annual Conference
 - August 2007, Hobart, Australia (oral presentation)
(*Joint Scientific Meeting of the AEA and the IEA Western Pacific Region*, Australia, 14, pp. 55)

- 19- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew, and WABOHS study team
“Can people reliably report the difference in meat consumption 10 years ago vs. last year: Results from a 2-arm study?”
- The Second Cancer Research Symposium
 - March 2007, Perth, Western Australia (oral presentation)

- 20- Green Chad, **Tabatabaei Seyed Mehdi**, Clayforth Cassandra, Heyworth Jane and WABOHS study team
“Tea consumption and colorectal cancer”
- The Second Cancer Research Symposium
 - March 2007, Perth, Western Australia (oral presentation)

- 21- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew, WABOHS study team
“Test re-test reliability of the Western Australian Bowel Health (WABOHS) study meat consumption questionnaire”
- The Australasian Epidemiological Association Annual Conference
 - September 2006, Melbourne, Australia (poster presentation)

- 22- **Tabatabaei Seyed Mehdi**, Heyworth Jane, Fritschi Lin, Knuiman Matthew, WABOHS study team
“The Relationship between dietary risk factors, methyl-group intake, heterocyclic amines and the risk of colorectal cancer in Western Australia”
- The Fifth Western Australia Cancer Conference
 - October 2005, Perth, Western Australia (oral presentation)

- 23- Salimi Khorashadi. Alireza, **Tabatabaei** , **Seyed Mehdi** , Sargolzai.M
“The role of laboratory control in proper implementation of DOTS and lowering recurrence rates in Tuberculosis patients , Zahedan , Iran 2002”
- The 17th national congress on tuberculosis
 - 14 –16 Oct 2003 , Isfahan , Iran (oral presentation)

- 24- Hosseini Tabatabaei , M.T , **Tabatabaei , Seyed Mehdi**
“Determination of Glumerular Filtration rate (GFR) in major beta Thalassemia patients, Zahedan pediatric hospital 1997”
- The 9th international Thalassemia and hemoglobinopathies conference
 - 15-19 Oct 2003, Palermo, Italy (poster presentation)
- 25- Hosseini Tabatabaei , M.T , **Tabatabaei , Seyed Mehdi**
“Determination of Glumerular Filtration rate (GFR) in major beta Thalassemia Patients, Zahedan pediatric hospital 1997”
- Congress on the complications of Thalassemia in adolescents
 - 2-4 May 2002, Tehran, Iran (oral presentation)
- 26- Ghashghaei, G.R, **Tabatabaei, Seyed Mehdi**, Ansari Moghadam , A.R
“Tuberculosis and poverty”
- The 16th National Congress on Tuberculosis
 - 15 – 16th Oct 2002, Zahedan , Iran (oral presentation)
- 27- Ansari Moghaddam, A.R, Ghashghaei , G.R, **Tabatabaei , Seyed Mehdi et al.**
“The role of sanitation and family planning in tuberculosis control”
- The 16th National Congress on Tuberculosis
 - 15 –16 Oct 2002 Zahedan , Iran (oral presentation)
- 28- Ordoni Jamshid , **Tabatabaei Seyed Mehdi**
“Epidemiology of Crimean–Congo Hemorrhagic Fever (CCHF) in Sistan and Balouchestan province 2001”
- The first congress on Crimean–Congo hemorrhagic fever
 - Sep 2001 Zahedan , Iran (oral presentation)
- 29- Tabatabaei, Seyed Mehdi**
“An overview of Transmissible Spongiform Encephalopathies (TSEs) and vCJD (variant Creutzfeld – Jakob disease)”
- The first congress on Mad Cow Disease (BSE),
 - 11 June 2000, University of Zabol , Zabol, Iran (oral presentation)
- 30- Tabatabaei, Seyed Mehdi**
“Epidemiology of Eltor in Zabol district during 1997 – 1999”
- The conference on epidemiology of water – borne diseases in Sistan region
 - July 2000, University of Zabol, Zabol, Iran (oral presentation)

F) Teaching Experiences:

- Teaching *Epidemiology of communicable and non-communicable diseases*, **Master of Epidemiology students**, Zahedan University of Medical Sciences, 2014--current
- Teaching *Principles of Epidemiology, Nursing and Midwifery students*, Zahedan University of Medical Sciences, 2009-current
- Teaching *Epidemiology of communicable and non-communicable diseases English for Health Professionals, Iran geographical pathology, Public Health students*, Zahedan University of Medical Sciences, 2009-current
- Teaching *English for Health Professionals, Occupational Health students*, Zahedan University of Medical Sciences, 2009-current
- Teaching *Dental Public Health, Dentistry students*, Zahedan University of Medical Sciences, 2010
- Mentoring **Family Physician MPH students**, *Principles of Family Physician & The health care delivery system and managed care, Health programme planning & evaluation* , Zahedan University of medical Sciences, 2010-current
- Teaching *Health information technology to Epidemiology, Parasitology, Health Education and Environmental Health Master students*, Zahedan University of medical Sciences, 2010-current

- Tutoring *Foundation of Clinical Practice* course, **Year 1 Medical students**, University of Western Australia, 2007-2009

G) Thesis & Dissertation Supervision:

1. Supervising Dr. Negar Ali MD degree thesis project entitled "*The seroprevalence of anti-measles antibodies in pregnant woman attending the Provincial Reference Laboratory for antenatal tests in the city of Zahedan in 2014*", 2014-2016.
2. Supervising Dr. Dr. Mohamad Hasan Amirian Mojarad Infectious Diseases Specialty degree thesis project entitled "*The Study of Diagnostic Value of quantitative titer of high-sensitivity C-reactive protein in detection of clinical stages of chronic hepatitis B infection*", 2016.
3. Co-supervising Dr. Sahar Reihani far, Infectious Diseases Specialty degree thesis project entitled "*The Study of Diagnostic Value of quantitative titer of HBsAg with clinical stages of chronic hepatitis B infection*", 2016.
4. Co-supervising Minoor Mohammad Khani's epidemiology MSc degree thesis project entitled "*The relationship between changes in malaria incidence and temperature, humidity and rainfall in Kerman, Sistan and Balouchestan and Hormozgan provinces*", 2014
5. Co-supervising Dr. Mohammad Jahangiri Nejad's MD degree thesis project entitled "*The evaluation of cutaneous Leishmaniasis epidemiology in Sistan & Balouchestan Province in 1387-1391*", 2013
6. Co-supervising Dr. Mohammad Saraf-Shirazi's Infectious Diseases Speciality degree thesis project entitled "*Evaluation of association between serum ferritin and disease severity in patients with Crimean- Congo hemorrhagic fever*", 2010-2012.
7. Co-supervising Dr. Alireza Jahantigh's Pediatric Speciality degree thesis project entitled "*Assessment of renal tubular function in patients with beta Thalassemia Major receiving Deferasirox, Zahedan, 2010*
8. Co-supervising Dr. Mina Parsi's MPH project entitled "*Risk factors for diagnosis delay in smear-positive pulmonary tuberculosis patients, Zahedan University of Medical Sciences*", 2010
9. Co-supervising Mr. Naser Sarani's Health Promotion Master thesis project entitled "*The efficiency of health belief model in adopting tuberculosis preventive behaviours the Sistan region, 1388-1389*", 2010
10. Assessment of Ms. Carol Pavitt's Health Science dissertation entitled "*An investigation into the distribution, risks and transmission of Salmonellosis in Northern Western Australia*, University of Western Australia, 2007.
11. Reviewing Mr. Kodie Blay's Bachelor of Health Science Honours proposal entitled "*Rates of infection and the sports oval irrigation system*", University of Western Australia, 2007.
12. Co-supervising Mr. Chad Green's Bachelor of Health Science Honours project on "*Tea consumption and colorectal cancer*", School of Population Health, University of Western Australia, 2006
13. Reviewing Ms. Jeri Smith's BHLthSc (Hons) project proposal entitled "*Calibration of a short food frequency questionnaire to assess folate intake in a case-control study of childhood leukemia*", University of Western Australia, 2006.

H) International agencies grants & joint projects:

1. World Health Organization

"National consultant to develop protocol and guidelines and training materials for health volunteers in Sistan and Baluchestan province in vaccination programme to improve coverage and conduct trainings", EM-IRA-2014-APW-033(2014- 2015)

2. World Health Organization
